

CERTIFICATE IN ACADEMIC CRITICAL DISCOURSES

Elevate your academic English with our Academic Critical Discourses programme. Ideal preparation and readiness for postgraduate study aspirations or professional recognition such as the NZ Nursing Council. With 20+ years of expertise, TII has a long history and focus on healthcare English for internationally qualified nurses, preparing them meticulously for the Occupational Test for English (OET) and for IELTS success.

PROGRAMME HIGHLIGHTS

- Preparation for OET and IELTS examinations.
- Comprehensive instruction tailored to the New Zealand healthcare industry.
- 300+ internationally qualified nurses have successfully completed the programme.
- Highly experienced, qualified and skilled teaching staff.
- Work towards New Zealand Nursing Council registration.
- Exceptional track record, with high levels of successful outcomes.
